

## **EPB HOSTED CAMERA** How to Schedule Notifications on your Mobile Device

January 2022 Document Version 1.0

## HOW TO SCHEDULE NOTIFICATIONS ON YOUR SMART DEVICE

**Note:** At this point, inside Stratocast, you would have already enabled motion detection settings and setup a Mobile Authentication Key that you will use to sign into the Stratocast Application.

1. If you have not done so, Download the New Stratocast Application

**2.** Login using your email and Mobile Authentication Key to Sync the Smart Device Application with your Cloud Based Stratocast System

5. Select the + to add the schedule

## STRATOCAST: SCHEDULING MOBILE NOTIFICATIONS

6. Under "TIME" Set the range of hours in which you would like to be notified . Under "DAYS OF THE WEEK" select the days you would like to be notified during that time.

(In this example: It is set to be notified every day of the week between Midnight to 6am outside of business hours).
