

# Welcome to EPB Fi TV!

Get ready to enjoy cutting-edge entertainment powered by the world's fastest internet. Once you've downloaded the EPB Fi TV app, be sure to take advantage of these features and functions:

**Simultaneous Viewing.** Now your family can watch their favorite movies and shows on 6 devices simultaneously. Additional streams available for \$2.50 each per month.

**Unlimited DVR.** Record as many programs as you want without limits and stream them anytime, anywhere. If you didn't subscribe when you ordered, you can upgrade anytime for just \$5 per household, per month, plus tax.

**Restart.** Never miss a minute. Restart a live show from the beginning while it's still on air.

**Replay.** Re-watch programs on most networks up to 3 days after they air without having to record or wait for On Demand.

**Single Input.** Now you can seamlessly switch between live TV and other streaming apps on one screen without changing inputs.

**See it All.** Watch your favorite programming LIVE and On Demand anywhere outside your home. Simply log in to the corresponding network app (like ESPN) using your EPB Fiber Optics credentials.

**Customizable. Commitment-Free.** No contracts means you're free to make changes to your TV package at any time or explore streaming options outside of EPB Fi TV. Discover your perfect TV bundle at the best price at [epb.com/mybundle](http://epb.com/mybundle).
